

Thriving in Challenging Times!

There's no doubt the Arizona Real Estate market has seen some challenging times over the last few years.

How are you prevailing?

Could you use a few new tools to develop your business?

Do you need to jump start your practices to thrive in today's crazy market?

If so.....

Join me for a free breakfast and a motivating workshop featuring Steve Scanlon from Building Champions on **Friday, April 29th at the Scottsdale FireSky Resort.**

(See the attachment to this email for details on this exciting opportunity)

Please RSVP to Lynn at lynnd@ccmclending.com or 480-398-4891

Steve is an incredible speaker who never fails to leave his audiences with valuable nuggets of information they'll be able to implement in the Arizona market the minute they leave the seminar. Why do you do what you do? What are your goals and what are you doing to achieve them? These thoughts were top of mind a few months ago as we entered into a new year, but for many the drive and determination slips away as the daily grind takes its course.

This is a perfect time to take a break from working in our business and instead spend a couple of hours working on our business!

If you share my passion for working smarter and getting the most out of each day, you will not want to miss this event. Steve Scanlon is one speaker I can guarantee will spark your enthusiasm to be the best you can be!

Friday, April 29th at 8:00 AM. Please plan to start your day with me. Remember to RSVP to Lynn at lynnd@ccmclending.com or 480-398-4891 so I'll know to look for you!

See you there!

Best,

Kelly
